

Ankle Brachial Pressure Index (ABPI) Assessment Workshop, Birmingham

Are you a **Podiatrist, Chiropodist, Foot Health Practitioner** or someone who works in a **health or social care role**?

This workshop is designed to build on your knowledge and understanding of diabetes and wound management; giving you the ability to further assess the vascular status of an individual to establish or exclude the presence of peripheral arterial disease (PAD). This workshop aims to equip you with the knowledge and skills to competently undertake an ABPI Assessment and introduces you to 'toe pressures' assessment.

It's not just the theory! In an interactive and safe learning environment, you will be putting your new knowledge into practice.

8 November 2024 10am-4pm, only £165+VAT per person

All equipment will be provided, however feel free to bring along your own!

Tea and coffee is provided with refreshment breaks.
Please bring your own lunch to the session as this is not included

This training has been developed by DUET diabetes Ltd and will be led by an experienced podiatrist (includes a printed delegate pack and certificate on successful completion of the training)

Venue: Stonebridge College, Ciba Building, 146 Hagley Road, Birmingham, B16 9NX

To pay by credit/debit card: please scan QR code to book and pay via the Ticket Tailor online platform (or visit <https://buytickets.at/duetdiabetesLtd/1339353>)
