

Swindon: Demystifying Dopplers

&

Diabetic Foot Screening Refresher workshop

This workshop provides you with the opportunity to reinforce your existing knowledge, as well as maintain and enhance skills. It will help you to stay up to date in your role and be familiar with any recent developments.

The day kicks off with a theoretical session followed by an extended practical session when attendees get their hands on numerous pairs of feet!

As with all our workshops, we endeavour to create a friendly and interactive learning environment where questions are welcomed and networking encouraged!

The day finishes with an Ankle Brachial Pressure Index (ABPI) Assessment by the educator to demonstrate what a fuller vascular assessment can entail (find out more via the booking link below).

18 April 2026, 9.30am-3.30pm: only £134+VAT

It's not just the theory!

Complimentary lunch & refreshments throughout the day are provided

This training has been developed by DUET diabetes Ltd and will be led by an experienced podiatrist (includes a printed delegate pack and certificate on successful completion of the training)

Venue: Wrag Barn Golf Club, Shrivenham Road, Highworth, Swindon, Wiltshire, SN6 7QQ

To pay by credit/debit card: please scan QR code to book and pay via the Ticket Tailor online platform (or visit <https://buytickets.at/duetdiabetesltd/1989026>).

To pay via BACS: please email info@duetdiabetes.co.uk to provide your name, contact phone number and the number of places you would like to book. You will then receive an invoice via email.
